## HOUSE & GARDEN TOUR INCREASES SANCTUARY FUND

Generous response to the House & Garden Tour ticket sale has brought the Sanctuary Fund up to a good start. Donations, large and small, are coming in, as well as orders for tickets. Friends out of town are responding along with bay area members. However, the committee is anticipating an increased number of orders and urges that checks be sent in promptly to Mrs. A. G. Zimmermann, 29 Blachford Court, Oakland.

Homes and gardens to be opened for the Tour promise an enjoyable day for those who are supporting this most worthwhile project. They are homes of:

*Dr. and Mrs. C. V. Covell, 148 Estates Drive, Piedmont.* The roses seem to have heard about the Tour. They have always been outstanding but, judging by the size of the buds and their quantity, they seem ready for their biggest display ever.

*Dr. and Mrs. T. Eric Reynolds, 140 Estates Drive, Piedmont.* In a setting of live oaks, native California plants are combined with the exotic and special attention has been given to attracting and feeding birds. In the house, a collection of original oil paintings by the great American artist, Louis Agassiz Fuertes, will be on display.

*Mr. and Mrs. Stanley Davie, 5160 Masonic Ave., Oakland.* The gardener is working overtime and the show here will be magnificent. All floral arrangements in the house will be done under the supervision of Mrs. Charles M. Wood, winner of countless blue ribbons and a judge in the Oakland Flower Show.

*Mr. and Mrs. Jack Land, 110 Indian Road, Piedmont.* This garden is generously supplied with just right ideas—how to fix the wall, curve the walk, design a fence. Perfection abounds, indoors and out.

*Mr. and Mrs. Oliver de Silva, 2717 Chelsea Drive, Oakland.* The garden is expansive and an excellent spot for birdwatching in addition to being one of the most spectacular places in the region.

As an appropriate finale to the House and Garden Tour, Laura Reynolds will show her film, *Garden Sanctuary*, at the Berkeley Little Theatre, Sunday, May 18, at 2:30 p.m. Complimentary tickets will be given on request, at the Reynold's home, during the Tour.

HOUSE & GARDEN TOUR TICKETS AVAILABLE at the National Audubon Headquarters, 2426 Bancroft Way, Berkeley. There flower arrangements done by Mrs. Charles M. Wood, Tour Decoration Chairman, will be on display for your pleasure.

Additional tickets will be on sale at the gates of the homes visited during the tour.

—SUZANNE JOHNSON, *Chairman House & Garden Tour*

FIELD NOTES: On August 31, 1955, on Highway 395, near Johnstonville, between here and Susanville, my wife and I saw both species of magpies. Several authorities said we were wrong, that it was not possible. Since that time, Robert G. Adams, Jr., of Oakland, a student at Susanville Junior College, has been looking for the magpies and has just reported that he saw both species in the same region on October 1, 1957. The location was in Honey Lake Valley on Highway 395, near Milford. —Arthur H. Myer
